

# MEDICATION QUESTIONS? ANSWERS ARE A SCAN AWAY

SEE BACK FOR DETAILS

POWERED BY  MedsOnCue

# SCAN. WATCH. INTERACT.

## FOLLOW THESE EASY STEPS:

- 1. DOWNLOAD**  
Use your current QR code reader, or download the SCAN app from Apple App Store or Google Play (<http://scan.me/apps/>).
- 2. SCAN**  
Hold the smartphone 2 to 6 inches away and then scan the QR code.
- 3. WATCH**  
Watch on-demand videos that answer questions about your specific medication.
- 4. INTERACT**  
Access to your pharmacy, medication reminders and healthcare resources are one click away.
